Targus Leather Portfolio Slipcase for Apple iPad

Product Code: TES010EU

Targus

The Targus **Hughes™** Leather Portfolio Slipcase is designed specifically to protect the Apple iPad. The durable exterior and soft interior twill lining protect the iPad from dust and scratches during transport. Constructed of smooth oil-tanned leather material, this sophisticated case has the look and feel of a high-end executive portfolio.

Whether transporting the Leather Portfolio Slipcase between meetings or inside another carrying case for added protection, the Hughes Leather Slipcase Case provides a first-class appearance throughout its travels.

Oiled Leather:

The process of oiling leather dates back hundreds of years. After smoothing the surface, this quality leather is then infused with natural oils to create a highly durable yet supple material that continues to develop, soften and conform to your body for a comfortable, ergonomic fit.
