

USB Hub

Targus Four-Way USB Adapter for Apple Macs

Product Code: ACH105EU

Targus

Get connected in style with this USB hub designed explicitly for Mac users. This compact hub transforms one port into four with pleasing functionality and form.

Wraparound cable fits snugly around the device and protects USB ports when not in use, making a nice, neat package for travel and storage. Get connected, times four.

Features & Benefits

- Four High-Speed ports enable fast data transfer between devices
- The flexible connection cable wraps around the hub and protects the USB ports
- Easy to pack for travel
- Device dimensions; 9.4 x 4.3 x 2cm
